Susan graduated from the Katharine Gibbs School for business and, for the past 25 plus years, has served as Administrative Assistant for Gabe Sganga Inc., a commercial Plumbing, HVACR & Fire Sprinkler contractor based in Farmingdale, NJ.

Susan's love for the Thunderbird started when her mom won a 1960 Raven Black Thunderbird on a 50 cent chance. Many happy memories were spent in that car cruising around town & visiting the Jersey Shore. Although that car, long since gone, Susan started searching for a similar car when she stumbled onto a beautiful 1965 Ford Thunderbird Landau with low mileage & all matching numbers. After months of structural & cosmetic restoration, her Thunderbird, "Jersey Girl" was chosen to be on display for the month of July at the AACA Museum in Hershey, PA. In addition to her 1965 Thunderbird, Susan owns a Bronze 2005 50th Anniversary Edition Thunderbird & 1930 Model A Roadster.

Susan continues to promote & spread her enthusiasm for ITC by attending ITC Conventions, All Ford Nationals & local car cruise-ins.
